

WHO WE ARE

Bevenju Ventures has a complete team and vision that helps to manage and operate efficiently.

OUR VISION

To become partner of choice for business, offering unmatched growth potential.

- Our clients and partners shall find what completes their success. We expect their needs and fulfil them according to our self-commitment.
- Every one shall be proud to work with Bevenju Ventures. We create chances to achieve exceptional results and reward success.
- Society shall consider us responsible and effective.

OUR MISSION

To contribute to the development of the Kenya economy through successful business partnerships, identifying the right synergies with strategic businesses and industries across sectors to achieve high returns & sustainable growth. Business is not just doing deals, business is having great products, doing great engineering, and providing tremendous service to customers.

OUR VALUES

- Partnership
- Trust & Honesty
- Accountability
- Transparency
- Integrity
- Customer Satisfaction
- Community Service and Development

OUR OBJECTIVES

Time and safety are always our priorities. Our company has always been desirous of a clean record, free from any delay in dates and accidents in its projects or with vehicles, since it has always dealt with the best insurance companies.

The result is distinguished safety performance even in hazardous work environments, bad weather conditions and distant work sites. Our concern with safety insures the safety of our clients and is useful to them as it reduces the operating cost and increases their productivity eliminating the time wasted due to accidents, as well as reducing their insurance cost.

OUR ETHICS

Our culture is based on integrity and mutual respect. Our reputation in adherence to the highest ethics in work is one of our valuable rules.

In Bevenju Ventures undertake the responsibility of each work we perform. We do not tolerate any wrong behaviour and ask our employees to adhere to such standards and the applicable local laws and acts.
